Hear what Previous IJT Buyers have to Say about IJT!

“IJT was full of quality products, and the exhibitors were flexible with their lot and delivery date. We were able to source many products at great prices, and are extremely happy.” -President, Retailer, China

“The show floor was vast and there were so many products to see that it took us a few days to look around the venue. We were satisfied with the product lineup at IJT.” -President, Distributor, Korea

“Although it was our first time sourcing in Japan, we had no problems as show management provided us full support. We found extremely high quality diamonds, and all the exhibitors were very polite and professional.” -Manager, Distributor, Australia

“We were able to purchase great quality loose pearls and pearl jewellery. The show itself was well organized and I was able to enjoy my time there. Next time I will bring more buyers from my company to source for great products.” -Managing Director, Importer, UAE
