

Visitor Count

26th INTERNATIONAL JEWELLERY KOBE

The Solemn Declaration of No Inflated Numbers

We consistently count visitor numbers stringently based on the following principles.

May 30, 2022

1. The reason for not inflating the visitor numbers

Inflating visitor numbers is a misrepresentation of the exhibition's content, and a fraudulent act toward the exhibitors. Therefore, RX will not commit such an act.

2. The visitor number counting method

Every visitor is to submit one business card at the registration counter on-site, and will be counted as one visitor based on their business card no matter how many times he/she re-enters the show.

3. Written official announcement of the visitor count

Immediately following the exhibition, the visitor number will be announced alongside the counting method, in written form.
